MORGAN STREET RESERVOIRS ALTERNATIVES WORKSHOP

Community members are invited to participate in a workshop hosted by the City of Oberlin and Environmental Design Group to discuss the Morgan Street Reservoirs.

WEDNESDAY, AUGUST 14TH

5:00PM – 7:30PM

OBERLIN PUBLIC LIBRARY COMMUNITY ROOM

(65 South Main Street)

FREE & OPEN TO THE PUBLIC

THE ENVIRONMENTAL DESIGN GROUP (EDG) WILL FACILITATE DISCUSSIONS ON:

- **History of the site as the 1st lime soda softening plant in the United States**
- **Ohio Department of Natural Resources Requirements**
- **Habitat and Ecosystem considerations**
- **Recreational opportunities, including trails and site circulation**
- **Adaptive re-use of the Historic Waterworks Building**

EDG will use the information gathered to present the alternatives and a recommended redevelopment plan to the City at a future public meeting.
