

Shed Requirements

Application Procedure

1. **Complete Application** (Accessory Structure, [3])

2. **Submit Two Copies of Your Plot Plan**
 - A. **Show Lot Size Dimensions**
 - B. **Show All Existing Structures**
 - C. **Show Dimensions to Property Lines & Each Structure**
 - D. **Show Proposed Shed Location**
 - E. **Show Dimensions From Shed To Lot Lines & Other Structures (minimum 4 feet to side & rear property line)**
 - F. **Draw to Scale**

3. **Submit Two Sets of Building Plans. Show Construction Details, Materials, Elevations (at least front & side) & a Section Thru the Shed Showing Construction Details. Plans Should Be To Scale.**

***** If Purchasing a Kit or a Pre Built Shed *****

Submit two Copies of the brochure showing the shed you are purchasing. This would be in place of drawing plans above.
