**FOR IMMEDIATE RELEASE**

**Underground Railroad Center Project  
Community Update – Saturday, September 11<sup>th</sup>**

The City of Oberlin's Underground Railroad Center Implementation Team will be hosting a community update on Saturday, September 11<sup>th</sup> at 11:00 a.m. at the site of the Gasholder Building (the roundhouse structure, directly behind McDonald's), South Main Street in Oberlin.

Join the Implementation Team for an update on the not-too-distant future of the Oberlin Underground Railroad Center and park-and-ride project. There will be a short program comprised of a brief history of the efforts to establish this historic center, a local musical arrangement, an appreciation presentation, coupled with conceptual drawings and a limited tour of this unique architectural structure.

Join friends and neighbors and learn more about the soon-to-be home of the Oberlin Underground Railroad Center and just what's in store for Oberlin and the surrounding communities!

For more information, please contact the City of Oberlin (440) 775-7217 or go to [www.cityofoberlin.com](http://www.cityofoberlin.com) – or contact the URC Implementation Chair, himself, Mr. George Abram at (440) 610-1150.
