

Trash is collected on a weekly basis, Monday – Friday, 5:00 a.m. to 1:00 p.m. The collection day depends on where you live in the City. Trash must be out by 6:00 a.m. on the day of collection, but no earlier than noon of the previous day. To help prevent litter in our neighborhoods, please bag or wrap all loose material before placing it in your trash container.

The City of Oberlin charges \$6.00 per household per month for residential refuse and recycling collection services. In 1994, City Council adopted a three container limit for residential refuse in conjunction with the inception of its curbside recycling program.

Holiday Collection Schedule

Refuse and recycling occurs as scheduled, 52 weeks per year including all holidays.
