

Oberlin Refuse Collection Schedule

Automated trash pick-up is provided to residential customers on a weekly basis, Tuesday – Friday. Curbside collection will be provided using the City’s 64-gallon roll carts only. Place carts within 3’ of the curb and at least 5’ apart, ideally on either side of the driveway, with the wheels facing your house. Do not place carts near trees, mailboxes or other fixed objects. The collection day depends on where you live in the City. Refuse & Recycling carts must be out by 6:00 a.m. on the day of collection, but no earlier than noon of the previous day. Trash must be bagged before placing in refuse cart.

The City of Oberlin charges \$7.50 per household per month for refuse & recycling curbside collection services. A second 64-gallon cart is available upon request at an additional fee of \$3.75/month.

Holiday Collection Schedule

Refuse and recycling occurs as scheduled, 52 weeks per year including all holidays.
