18 JUL 12 PM 4:19

Public notice is hereby given that the Ohio Environmental Protection Agency (Ohio EPA) Division of Surface Water (DSW) has received an application for, and has begun to consider whether to issue or deny, a Clean Water Act Section 401 water quality certification to construct a senior care center on Nagel Road, City of Avon. The application was submitted by Avon Realty Holding LLC. The Buffalo District Corps of Engineers Public Notice Number for this project is LRB-2017-01261. The Ohio EPA ID Number for this project is 185761.

Discharges from the activity, if approved, would result in degradation to, or lowering of, the water quality of Heider Ditch Frontal Lake Erie. Ohio EPA will review the application, and decide whether to grant or deny the certification, in accordance with OAC Chapters 3745-1 and 3745-32. In accordance with OAC rule 3745-1-05, an antidegradation review of the application will be conducted before deciding whether to allow a lowering of water quality. No exclusions or waivers, as outlined by OAC rule 3745-1-05, apply or may be granted.

Starting **June 1, 2018**, copies of the application and technical support information may be inspected on Ohio EPA-DSW website:
