

Recycling Rebates are Back but Limited!

Purchase a Home Composter and we will reimburse you up to \$50* of the cost.

10 Composter Rebates Available for 2019!

Bring your receipt to the Public Works Department at City Hall, 85 S. Main St. between 8:00am and 4:30pm, M-F and we'll process your reimbursement.

Why compost? It's easy; it's cheap; it enriches soil!

Composting improves soil fertility, plant health, drainage on heavy soils and soil aeration. It reduces water pollution by reducing the need for fertilizers, which prevent algae blooms and fish kills in lakes and streams. Composting reduces your ecological footprint by reducing garbage being landfilled.

8 TV Recycling Rebates Available for 2019!
