

Rotary Cares Program – Highlighted Restaurants/Dates

The Oberlin Rotary Cares program supports Oberlin restaurants that are open during the COVID-19 pandemic. For 13 days we will highlight a restaurant a day on social media and through email – asking people to purchase from that restaurant that day. Rotary will place sandwich board signs at the “Restaurant of the Day” and present the restaurant owner with a check for \$250. Oberlin Rotary will also be giving Oberlin Community Services a check for \$2,500 to support their efforts to provide food during this challenging time.
