Grant funds can be used to reimburse eligible businesses for the following expenses relating to their Ohio business location as long as the costs do not violate state or federal law and are not otherwise specified as ineligible costs:

- Personal protective equipment to protect employees, customers, or clients from COVID-19.
- Measures taken to protect employees, customers, or clients from COVID-19.
- Mortgage or rent payments for business premises (personal residences explicitly excluded).
- Utility payments.
- Salaries, wages, or compensation paid to contractors or employees, including an employer's share of health insurance costs.
- Business supplies or equipment.

## Application Process

---

Beginning **June 29, 2021**, businesses can submit an application at [BusinessHelp.Ohio.Gov](https://businesshelp.ohio.gov). To access the application, individuals will be required to login using an existing OH|ID or create a new OH|ID, which provides users with secure access to state of Ohio services and programs. For more information on creating an OH|ID, visit [OHID.Ohio.Gov/](https://ohid.ohio.gov/). For help in creating an OH|ID account, [OHID.Ohio.Gov/wps/portal/gov/ohid/help/account-management](https://ohid.ohio.gov/wps/portal/gov/ohid/help/account-management).

After an application is approved, businesses also will be required to provide an Ohio Supplier ID assigned by the Ohio Office of Budget and Management. If the applicant business does not currently have an Ohio Supplier ID, the business will be required to register at [Supplier.Ohio.Gov](https://supplier.ohio.gov). A Supplier ID is required so that grant funds can be distributed by direct deposit.

If an applicant is required to resubmit an application, it will be reviewed in the order in which it was received and will not take the place of the originally filed application.

## Awarding Funds

---

Each business that meets the criteria and submits a complete application will be eligible for a grant in the amount of \$10,000. Grants will be awarded on a first-come, first-served basis under the following guidelines:

- \$100,000 will be allocated to eligible businesses in each of Ohio's 88 counties on a first-come, first-served basis. The remainder of funding available will be awarded on a first-come, first-served basis regardless of the business' location in Ohio.
- If Development does not receive eligible applications sufficient to award the full \$100,000 to businesses in each county by July 31, 2021, the remaining funds allocated to that county will be awarded on a first-come, first-served basis regardless of the business' location in Ohio.
